

### Medical Drugs that require Prior Authorization (Individual and Family Plans)

Below is the list of medical drugs that require prior authorization as a condition of payment for Individual and Family Plans.

All of the drugs below have Jefferson Health Plans [Medical Policy Bulletins](#) associated with them that contain the medical necessity criteria for coverage for the Individual and Family Plans. It is the responsibility of the provider and or staff to review those medical bulletins. Additionally, use the link to review and consider the Jefferson Health Plans policy bulletins located on the Health Partners Plans/Jefferson Health Plans Provider webpage [Provider Policy Bulletin Library](#).
